### Our purpose:

To promote the highest standards of neonatal nursing practice, education & research and to assist the neonatal nurse in advancing professional development.

### Our goals:

Facilitate an exchange of information among neonatal nurses.

Provide a forum for continuing nursing education for neonatal nurses.

Maintain a communication network among neonatal nurses in the region.

Support community service activities that promote the wellbeing of babies and families in the region.

National  
Association of  
Neonatal  
Nurses

Pacific Northwest Chapter

## PNANN Annual Spring Conference

May 26, 2022  
7:30 A.M.—4:00 P.M.

Hilton Seattle Airport &  
Conference Center  
17620 International Blvd.  
Seattle, WA 98188

## Conference Objectives

Upon completion of this program, the nurse will be able to:

1. Identify the most prominent impacts of COVID-19 global pandemic on healthcare teams and systems.
2. Describe how recovery effects in healthcare are shared organizational and personal responsibilities.
3. List three core concepts of the small baby unit model of care.
4. Define the meaning of “infant-driven” care in a small baby unit.
5. Examine the impact of cumulative pain/stress on the ELVW infant.
6. Discuss what is the significance of “human milk in a biologic system”.
7. Describe the triad of intimacy.
8. State the role of bereavement support services.
